WELCOME

"So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness."

Colossians 2 v6-7

The Bible tells us to make sure we live our lives in Jesus Christ. To do this we need to receive Him and surrender our lives to Him. As we root ourselves in the Word of God, the love of Christ, and the power of the Holy Spirit, we'll be able to stand strong and grow into the fullness of who God created us to be.

All of this is much easier when we plant ourselves in a community of followers of Jesus to support our spiritual growth. We need to be surrounded by those who stand strong, who produce fruit, and whose roots are in Jesus. We all need the encouragement of relationships to keep us growing, and that is what is at the heart of The Stewards' Trust.

We invite you to gather with us on one (or more!) of our events to experience the transformative power of a community rooted in Jesus that is committed to supporting one another in growing closer to Him.

WHAT IS THE STEWARDS' TRUST?

We are committed to deepening our relationship with God and each other as we follow Jesus day by day. We are for people of all ages and stages of faith, which is why many refer to The Stewards' Trust as 'family'.

Relationships and discipleship are at the heart of everything we do.

Shaped by Scripture and Spirit-led, we are disciples making disciples. Discipleship can be thought of as 'apprenticeship' to Jesus; the more we press into this, the more we learn and grow, and seek to reflect His character in our actions. As we walk the way of Jesus together, we welcome others to join us and encourage one another to draw nearer to Him.

DLY

"The DLY was the perfect first step out of university. I was given responsibility from the start and supported by fantastic training, which fast-tracked my leadership growth. It was a privilege to see God move powerfully within young people's lives. And best of all? The time spent amongst the Stewards' Trust family."

Lizzie Nowak, DLY 2023-24

Want to grow as a disciple and leader? If so, our Discipleship and Leadership Year (DLY) is for you.

The DLY is a salaried role aimed at university leavers who love Jesus and are up for a year of service, adventure and growth.

You will receive excellent training from The Stewards' Trust and OneLife (a Christian leadership development course). There are lots of opportunities to put your learning into practice - leading events, mentoring and giving talks; we call it 'discipleship through doing'.

The year is fun, fast-paced and varied. You'll leave with a deeper knowledge of yourself and God. You will grow in the skills needed to lead well, wherever life takes you.

We'd love to hear from you!

This long weekend, largely for those in their 50s and 60s(ish), provides a special time away to explore what it means to be a disciple of Jesus in this season of 'mellow fruitfulness'. Our focus is on living Spirit-filled, maturely fruitful lives in our work, relationships and areas of influence.

Through worship, teaching and seminars, we aim for this weekend to be one of refreshment, encouragement and growth. This is all enhanced by enjoying old friendships, welcoming new joiners and embracing the benefits of the hotel – pool, gym, en suite bathrooms and excellent food. Quite some event!

"It was so lovely for us to see old friends and new and we genuinely came away feeling refreshed, replenished, rested and replete."

DAYS OF ENCOURAGEMENT

"It was a real oasis and time of refreshment."

Days of Encouragement are a much-loved annual faith builder as we serve God in our different churches. These days of worship, teaching, fellowship and prayer are always restorative; they also provide a wonderful opportunity to catch up with old friends and meet new ones.

Do keep an eye on our website for details, including how to book on an event. If you would like to be included on our mailing list for the Days of Encouragement, please contact Henrietta Mayhew: henrietta@stewardstrust.org.uk

LET US PRAY

Thank you!

"Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus."

STUDENT SUPPERS

Our student events are truly unique. From inspiring weekends away to city dinners in university hubs, you're invited to embark on a transformative journey of faith and connection.

Our weekends are designed to deepen your relationship with God surrounded by a community of like-minded students pursuing the same goal. With inspirational teaching, worship, and meaningful discussions led by exceptional leaders, these events offer space to reflect, share and grow in faith.

But they feel like more than just a weekend — they are about building each other up: you'll leave not only with fresh insights but also a renewed vision and a supportive network to help you navigate the challenges of university life and beyond.

Whether you join us for a weekend or a city dinner one evening, these gatherings go beyond the surface, fostering genuine friendships and making discipleship a vibrant, integral part of your university journey.

STUDENT SUPPERS

At Student Suppers we gather in your university town and connect in with how you're finding student life. These small-scale events offer a space for students to meet, share meals, and engage in discipleship. While modest in size, Student Suppers have a powerful relational impact, providing students with the opportunity to strengthen their faith and form lasting friendships in a supportive community.

T.B.F

Transformational bursary fund

"Great indeed are our opportunities, great also is our responsibility." William Wilberforce

We are so blessed to benefit from the work of The Stewards' Trust. With this blessing comes a sense of responsibility to ensure our youth events are accessible to everyone.

This is only possible through our Transformational Bursary Fund (TBF), which offers discounted places to children and young people from low-income households. It also allows us to extend the same support to young people from clergy families

With your financial support, we can offer this opportunity to even more young people. Please consider donating through our website or contact office@stewardstrust.org.uk.

MENTORING

Mentoring has the potential to profoundly enhance a young person's life.

In 2024 we saw many exciting developments:

- Our Youth & Student team provided mentoring to 31 young people over 414 hours.
- We trained 34 volunteer mentors, each guiding at least one young person.
- We created partnerships with three churches to help them establish their own mentoring programmes.

Each of these numbers represents an individual who has been acknowledged, understood, and supported through personal investment.

Our vision is for every member of The Stewards' Trust 'family' to either be mentored or become a mentor themselves - living out our goal of 'disciples making disciples'. We are expectant that God will work powerfully in the lives of both mentors and their young mentees.

HOW TO BOOK

When it comes to booking, there are two types of events:

1. Direct through our website - all youth and student events and some adult events.
2. Initial contact with event contact - family houseparties and remaining adult events.

Ultimately, you will need to complete an online booking form for both types but some events require you to express interest to the event contact first due to complexities relating to accommodation or youth groups.

All balances must be paid 12 weeks prior to the event. Once booked, all communication should be with your event contact.

PETS

We regret that no pets may be taken on any of our events - sorry.

ENQUIRIES

For youth and student events, please contact the Stewards' Trust office. For all other events and houseparties, your enquiries should be addressed to the relevant event contact whose contact details you will find in the brochure and on our website.

VOLUNTEERS

Volunteer helpers are required for our family, youth and student events. Please apply to the relevant event contact or, for youth and student events, to the Stewards' Trust office. Helpers are sometimes asked to make a contribution towards their living expenses on the event.

SAFEGUARDING AND SAFETY

The safety of everyone attending our events is taken very seriously. We have particular concern for young people and vulnerable adults. The Stewards' Trust has a Safeguarding Policy, which complies with national standards, and all leaders and team members must adhere to it. They are also subject to an enhanced disclosure check issued by the Disclosure and Barring Service (DBS) and references also have to be provided. Further details in relation to the Safeguarding Policy can be found on our website. Outdoor pursuit activities are carried out under qualified supervision, with which all leaders and team members agree to abide.

ADDITIONAL NEEDS

Some children and adults at risk have needs which require extra support. Our desire is to be as inclusive as possible within the guidelines of suitable provision and resources. We therefore require parents/carers to provide full details (i.e. disability, allergy, medical condition, medication etc.) at the time of booking. Please also inform us if a child or adult at risk currently has, or has recently experienced, any behavioural or social problems that may affect their own safety or the well-being of others at the event.

For youth and student events, please contact the Stewards' Trust office. For other events and houseparties, please inform the event contact in the first instance.

CHILDREN AND ILLNESS

Do check your chosen event to ensure a week best geared to your family. Please note that, other than for our youth only events, parents remain responsible for the safety and security of the children they bring to each event other than for the times they are expressly left in the care of the event's youth team. Guests will understand that, in fairness to others, a child (or anyone else) with an infectious disease needs to be taken away.
